

CONFIDENTIAL

24 August 1961

MEMORANDUM FOR:

Executive Director, NPIC

25X1

SUBJECT : NPIC Personnel Requirements, Technical Plans and
Development Staff

1. Reference your letter to me, same subject, NPIC/D-83-61,
dated 17 August 1961, paragraph 4.

2. For your information I have placed a firm requirement on
personnel officers of USAF to obtain for assignment one Lieutenant
Colonel who meets the criteria contained in the job descriptions
that were attached to your referenced letter.

3. As yet I am uncertain as to what position, of the three
stated, I would assign such an officer to if he were assigned
immediately. I believe that it would be in the best interest of
the NPIC if a discussion regarding these three positions could be
held at the next Operations Board Meeting.
